Visions of Christmas 2011 Fantastic Performance, Dancers!

Save the Dates! May 30-June 2 *Spring Performance 2012*

Mark your calendars for Pointe of Grace Dance Academy's spring performance of *Happily Ever After*. We will feature each of our classes as they demonstrate how much they have progressed this year. The performance is always a delight for dancers and parents alike.

Please note- the dates of these rehearsals and performances are *after school is out*. Due to the many conflicts with the MCHS auditorium, these are the only dates available for our dancers' spring performances. Please place these

dates on your calendars now to avoid any conflicts.
