

# New Location

## Starting October 13th

Beginning October 13th, all classes will be held at 920 Pearl Street (old Morgan County Middle School). We are very excited to have all our classes in one convenient location with dance floors and mirrors! Below are some directions for entering the property and the building. Please read closely and let us know if you have any questions. I have also included a map of the property for clarification.

- Although the address is Pearl St., we are located on the back side of the property, so please enter the property from Garnett Street, which runs parallel to Pearl. Look for POG signs.
- Please park your car in the lots designated for Pointe of Grace (see image below).
- If your child is 10-years-old or older, you may use the Drop-Off/Pick-Up Line. Please note that the line is one-way for the safety of our dancers.
- From the parking lot, you will need to walk to the end of the building near the Drop-Off/Pick-Up Line and around the other side of the building. The entrance to the POG lobby is between two buildings (old art room and band room). Look for POG directional signs.

**This location will be our home for the next year  
until our new building is ready.  
Details coming soon!**
